JUNIOR FAIR HORSE AND PONY SHOW RULES & REGULATIONS

Superintendents: Judy Morrison, BJ Pickerrell, Jr. Fair & Bill Pickerrell, Sr. Fair
Shows: August 8, 9, 10

ANIMAL SAFETY:

Any animal found by the Superintendents to be a risk to the health and wellness of exhibitors and/or fairgoers will not be permitted to show or sell and can be dismissed from the fairgrounds at any time.

GRADE PREMIUM VOUCHERS:

Exhibitors will receive a Judges' Project Grade ribbon A, B, C
In 2020, Premium Vouchers will not be distributed.

To be eligible to show:

1. Members must submit to the County Extension Office a 4-H Horse Project ID/Registration Form by June 1 for each project and a Junior Fair Horse Show Entry Form by July 1 of the current year. If a member wishes to stall their horse the week of the fair their advisor must submit a clubs stall reservation form which includes the member's information by June 1.
2. Members may register up to three (3) project animals, but may only show one (1) horse per class. If registering multiple project animals, one MUST be designated as your main (and showmanship) animal. [See ID/Registration Form for space to indicate this]. Stallions may be shown only through their first calendar year. Only two 4-H stalls at the fair are allowed per member.
3. Skillathon: Horse Project members must participate in the Jr. Fair Horse Skillathon/interview judging. Participants will receive points towards the Horseman Awards.
4. Record Books: Horse Project members MUST turn in their completed project/record book to their club advisor who shall then turn them in to Ross County 4-H Horse Committee President the 1st Saturday of the fair. If a member does not turn-in their record book they will be ineligible to participate in the current years Jr. Fair Horse Show.
5. Equine Safety and Ethics Program: Every 4-H member enrolled in a Horse Project and planning on exhibiting at the County Fair must complete the state requirement for this program. Once the youth and parent complete both requirements (A & B below) they need not repeat it.
 - A) Every 4-H member and their parent/guardian read the safety book- let (Circular 191 R) and sign the last page verifying they have read it. If a parent/guardian has more than one child in 4-H they only need to use one booklet. Papers must be turned in by June 1 with other registration papers.
 - B) All exhibitors must complete the online Equip-STEP training by June 1 to be eligible to complete and compete at fair.
6. The parent and youth must sign the Permission to Participate in 4-H Horse Activities Disclosure and Release of Claims form (found in the 4-H Horse project registration materials in project books). This form is Due June 1 with other registration papers to the Extension office. This must be completed annually.
7. All youth age 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials) SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine. It is the responsibility of the rider, or the parent or guardian of the youth participant to make sure that the headgear worn complies with appropriate safety standards for protective head-gear intended for equestrian use, and is properly fitted and in good condition. The Ohio 4-H Horse Program, show committee, officials, Extension personnel, and volunteer leaders are not responsible for checking headgear worn for such compliance. This complete rule can be found in on page 9 of Circular 4-H 170 - Uniform Rules for 4-H Horse Shows.

Fair Show Rules and Regulations:

1. Participants in the Ross County Jr. Fair Show must follow the Ross County 4-H Horse Project rules and regulations along with the rules set forth in the "Uniform Rules for 4-H Horse Shows" (4-H Circular # 179) for the current year. County rules and policies may override or modify those set forth in the Uniform Rules. Questions should be directed to the superintendent in charge.
2. All members are required to clean their stall (down to the dirt floor) by 7:00PM Tuesday of the fair. The 4-H/FFA club advisor(s) are responsible for inspection of member's stalls at the end of the fair. If stalls are not cleaned, members will be ineligible to receive a stall the following year.
3. Stall assignments will be determined by a random drawing conducted at the June 4-H Horse Committee meeting using those clubs that have turned in their stall request forms by the deadline. Stall assignments will begin with the stalls at the northeast end of the horse barn.
4. Bedding stalls with straw is not allowed. Bed with shavings or sawdust only.
5. To be eligible to participate in the fair, horses must remain on the fairgrounds (stalled) until the release time, determined by the Sr. Fair Board; otherwise, member forfeits stall privileges for the following year. (Note: please refer to the fair schedule for release time information.) The only exception to this rule is for horses being trailered in for the Jr. Fair show days (Sunday - Tuesday only). If stalls are available, trailered in horses may be stalled, for that day only, on the condition that the stall is cleaned to the dirt floor at the end of show day.
6. To receive a grade, each member must show in showmanship. Participants are only allowed to show in one showmanship class (this includes contest showmanship classes).
7. Riding is only permitted in the enclosed arenas with permission of a horse superintendent. Penalty for violation will be expulsion from the fairgrounds. No riding in the barn area or camping area. Horses are not permitted out of the horse complex (on the midway) during the fair. ** NOTE: See Helmet Rule Above - this applies to all horses and all youth 19 and under on the fairgrounds during the fair - regardless if in 4-H or not per Ross County Agriculture Society.
8. No riding is permitted after 12:00 MIDNIGHT or before 5:00AM in the horse arenas or area. Times for using the arena will be scheduled and posted at the fair. Times will be designated for different types of use (i.e. driving, pleasure, contesting, etc.)
9. Turning horses loose in the horse arenas unattended or without a lead rope or lounge line attached is not permitted.
10. No canopies are allowed around the arena perimeter during the fair.
11. No sitting or standing on fences or gates in the horse complex is allowed.
12. Members' age for all show classes is as of January 1 of the current fair year.
13. Any and all class corrections by exhibitors must be made prior to the start of the show day for those classes. No class corrections will be allowed after that time; you will be expected to show in classes you are registered in.
14. If an exhibitor shows in their age group, they must remain in age group classes for the remainder of the show. If they show in pony classes, they must remain in pony classes (showmanship and horse-manship) for that show.
15. Beginner classes are only for members who are 10-13 years old and are 1st year members in the 4-H/FFA horse project with the exception

- of the Beg. Walk-Trot class which is for first year members only. (The 4-H Horseless Horse Project does not apply as the horse project here).
16. Walk-Trot participants may not show in any three-gaited class or trail. Beginner walk-trot participants may not show in any other walk-trot classes.
 17. 2 & 3 year old Snaffle Bit Class is only open to exhibitors who are 13 years old and over.
 18. In the foal class, the foal only is shown. A paddock will be provided to separate mares and foals.
 19. A member may not enter two horses in the same class.
 20. Each member is required and only allowed to show in one showman-ship class.
 21. Members must show their own project without assistance.
 22. Once the announcer first calls for the class to begin entering the area, there will be a two minute time limit for all exhibitors to enter a class they are showing in. After two minutes or when all exhibitors are in the arena, whichever comes first, the gate will be closed and the class begun.
 23. Only people showing an animal in a class at a show can ride that animal at the show. The violator and the horse will be disqualified from further participation at the show. (An exception can be made for children simply wanting to sit on or ride a horse in a non-schooling manner).
 - A) Anyone found handling a horse in a training manner from the ground, other than the 4-H/FFA member, will cause the 4-H/FFA member and horse to be disqualified from further participation at that show. Training is not to be confused with helping a 4-H/FFA member if a horse poses a safety threat, or a family member

- or advisor helping a 4-H/FFA member get ready to show. (For example, lounging a horse in a non-training manner.)
- B) These rules apply to 4-H/JR. Fair Horse shows only.
24. State Fair 4-H representatives will be selected at a the PAS Show.
 25. Champion Information:
 - A) All Champion and Reserve Champion classes will consist of a "1Horse/1Rider" combination.
 - B) Champion and Reserve Contesting in each age division will be determined by the two combined times received in Barrels and Poles; likewise Champion and Reserve Stakes Race & Keyhole in each age division will be determined by two combined times received in those classes. The member who receives the two lowest combined times (including penalties) in these classes will be the Champion and the 2nd lowest combined set of times will be the Reserve Champion.
 - C) Champion and Reserve English All Ages will be determined by the combined placings in English Equitation and Hunter Under Saddle.

Horse and Pony Classes:

Specific information on project judging and horse show classes will be announced by the Extension Office. Class breaks may be dependent upon the number of entries.

Light Horse Selection Classes

- A) Minimum classes to be conducted: Place one class and give oral reasons on that class. The same class will be used for project judging, and as an activity for those not taking Light Horse Selection as a project

LIVESTOCK SHOW FACT SHEET

by Tony M. Forshey, DVM, Ohio Department of Agriculture

The Ohio Livestock Show Reform Act authorizes the Director of Agriculture to adopt mandatory and optional rules. Mandatory rules apply to all livestock shows, while the sponsor has the option to opt out of the optional rules on an individual rule basis. If a sponsor decides not to opt out of an optional rule, the rule then becomes mandatory. The following is a clarification of how the statute (Ohio Revised Code) and rules (Ohio Administrative Code) are to be interpreted and applied at all **terminal, partial terminal and non-terminal** livestock exhibitions in Ohio:

1. Livestock is inclusive of all species, except equine;
2. Livestock exhibitions include all county and independent fairs, the Ohio State Fair and **all preview and jackpot shows**;
3. A sponsor is any entity who conducts an exhibition **including preview and jackpot shows**;
4. The sponsor **may** opt out of any or all of the optional rules at least 30 days prior to the opening (a form will be provided and must be returned to the Ohio Department of Agriculture, Division of Animal Health, 8995 East Main Street, Reynoldsburg, Oh. 43068);
5. Effective February 13, 2004, exhibitors shall annually attend or complete a quality assurance program before exhibiting terminal or partial terminal market livestock, or at the option of Ohio State University Extension, annually pass a test administered by or under the supervision of Ohio State University Extension.
6. Effective February 19, 2007, OAC 901-19-07, exhibitors may pass a test based on age and skill level to be exempt from quality assurance re-certification. This exemption is at the discretion of OSU Extension or Ohio agricultural education.
7. Effective March 23, 2017, OAC 901-19-07 (C): Exhibitors who fail to attend or complete a quality assurance program or fail to pass the exam as outlined in paragraph (B) of this rule may be subject to the disciplinary actions listed in rule 901-19-21 of the Administrative Code.
8. **New for 2018**, Appendix A to OAC 901-19-17 requires junior fair exhibitors to complete a quality assurance program at least 45 days prior to the opening date of the exhibition.
9. Swine being sent to a licensed livestock facility or going out of state for slaughter or commingled with out of state swine must be identified with an official eartag or four digit tattoo.
10. The department does not require Certificates of Veterinary Inspection for exhibition livestock originating in Ohio including swine. However, an exhibition sponsor can choose to require additional regulations above those of the department.
11. Effective March 21, 2016, an acceptable practices rule, **OAC 901-19-12 (Q)**, only permits drenching of **livestock** for a medical condition at an exhibition when diagnosed by a licensed veterinarian and an unacceptable practices rule, **OAC 901-19-13 (H)**, drenching of **livestock** at an exhibition is prohibited except as permitted under paragraph (Q) of rule 901-19-12 of the Administrative Code.
12. Effective March 21, 2016, **OAC 901-19-13(C)** Applying any electrical, mechanical, or other appliance that enhances, transforms, or changes the true conformation, configuration, or appearance of the livestock, unless prescribed by the exhibition veterinarian;
13. Effective March 21, 2016, OAC 901-19-33, Prohibited Grooming Practices, becomes **mandatory**.
14. Effective February 15, 2003, OAC 901-19-02 (II) Aslick clipping@ or Abody shaving@ means having hair that is less than one half inch in length on the body of market hogs;
15. **Even if the sponsor opts out of one or more of the optional tampering rules, the statute prohibits the use of any material, gas, solid, or liquid, that conceals, transforms or enhances the true confirmation or configuration of all livestock, including by way of example but not limited to rope, false hair, graphite, and hemp**;
16. For **breeding classes** the rules of the breed association will constitute acceptable grooming practices;
17. Effective March 21, 2016, OAC 901-19-38, becomes a **mandatory** rule.
